

src/libidp/clamp_control.cc

```
graph TD; A[src/libidp/clamp_control.cc] --> B[clamp_control.h]; A --> C[iostream];
```

The diagram illustrates the dependencies of the source file `src/libidp/clamp_control.cc`. It is represented by a grey rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two other boxes. The left box, labeled `clamp_control.h`, has a black border. The right box, labeled `iostream`, has a grey border. This visualizes that the `clamp_control.cc` file depends on both the `clamp_control.h` header and the `iostream` library.

clamp_control.h
